REQUEST FOR PUBLIC RECORDS

The Idaho Outfitters and Guides Licensing Board requires that all requests for public records be in writing. **In the case of requests for records that are exempt from third-party disclosure, requestors are required to provide identification in accordance with I. C. § 74-113. If the records you request pertain to you, and the record is otherwise exempt from public disclosure (for example your financial statement of use reports), you must sign this form and have your signature notarized.** Other requests for public information do NOT need to be notarized. If the requested records are not being picked up in person, the requestor must provide a mailing address. It may not be possible to provide immediate access to the requested records due to the time necessary to locate and retrieve the records. A written response to all requests will be made within 3 working days (I. C. § 74-103). **There is generally no fee for public records requests**, but a fee may be required for records over 100 pages in length or that take more than two hours of employee time to respond.
